

Safety Data Sheet

Company Identification:

Fellowes, Inc.
1789 Norwood Avenue
Itasca, IL 60143-1095
Telephone: 630.893.1600
Toll Free: 800.955.0959

1.

Product Name: LAMINATOR ROLLER CLEANER
Pluswipes Code: PW 5206
Recommended Use: Lotion impregnated into a wet wipe

2. Hazards Identification

Classification: Non hazardous
Health Hazards: R36 – Irritating to eyes

3. Composition/Information on Ingredients

Component	Classification	Conc%	EINECS	CAS	Risk Phrases
Dipropylene glycol monomethyl ether ((2-methoxymethylethoxy) propanol)		1 – 10	252-104-2	34590-94-8	
C9-11 Alcohol Ethoxylate with 6.5 MEO	Xn, Xi	1 – 10		68439-45-2	R22, R41
Isopropanol (Propan-2-ol)	F, Xi	1 – 10	200-661-7	67-63-0	R11, R36, R67

4. First Aid Measures

Eye Contact: Rinse immediately with water for 15 minutes. Seek medical attention if irritation or symptoms persist
Skin Contact: No irritation expected. Seek medical attention if irritation or symptoms persist
Ingestion: As the substrate is a wipe material, ingestion is unlikely but should it occur do not induce vomiting. Seek medical attention if irritation or symptoms persist
Inhalation: Considered to be non-hazardous by inhalation

5. Fire Fighting Measures

Extinguishing Media: Alcohol resistant foam. Carbon dioxide. Dry chemical. Sand. Water spray.
Special Exposure Hazards: Burning may produce irritating, toxic and obnoxious fumes
Protective Equipment: In case of fire and/or explosion do not breathe fumes. Wear suitable respiratory equipment when necessary.

6. Accidental Release Measures

Personal Precautions: No precautions required mentioned
Environmental Precautions: Do not allow product to enter drains or contaminate surface water

Clean Up: Transfer to suitable, labelled containers for disposal

7. Handling And Storage

Handling: No precautions required to mentioned
Storage: Do not allow to freeze. Store in correctly labelled containers.

8. Exposure Controls/Personal Protection

Exposure limit values: N/A
Exposure controls: N/A
Respiratory Protection: Not normally required
Hand Protection: Not normally required
Eye Protection: Avoid contact with eyes
Skin Protection: Not normally required
Environmental: Do not allow product to enter drains

9. Physical & Chemical Properties

Appearance: Wipe material
Odour: Characteristic
pH: 8.0 – 9.0
Flash Point: Not determined
VOC Content (%): < 10% approx.

10. Stability And Reactivity

Stability: Stable under normal conditions
Conditions To Avoid: Do not allow to freeze
Materials To Avoid: Strong acids & bases. Strong oxidising agents
Decomposition Products: Burning may produce irritating, toxic and obnoxious fumes

11. Toxicological Information

Classification: Non-hazardous product
Toxicological Information: No known adverse health effects
Eye Contact: May cause irritation to eyes
Skin Contact: No sensitisation effects reported
Inhalation: Not considered harmful by inhalation
Ingestion: May cause irritation and nausea

12. Ecological Information

Ecotoxicity: No data is available on this product
Biodegradability: More than 90% biodegradable

13. Disposal Considerations

Spillages: As pre-packed wipes, these are not considered a spillage hazard
Waste Material: Empty containers can be sent to landfill after cleaning, if in compliance with local and national regulations

14. Transport Information

Hazard Classification: The product is not classified as dangerous for carriage

15. Regulatory Information

Classification: Non hazardous

Symbol: N/A

Ingredients:

Mandatory Risk Phrases: N/A

Mandatory Safety Phrases: S1/2 – Keep locked up & out of reach of children

S13 – Keep away from food, drink & animal foodstuffs

S29 – Do not empty into drains

S46 - If swallowed, seek medical advice immediately and show this container or label.

Recommended Safety Phrases: S25 – Avoid eye contact

S49 - Keep only in the original container.

S62 - If swallowed, do not induce vomiting; seek medical advice immediately and show this container or label.

Additional Safety Information:

The information contained in this Data Sheet does not constitute the users own assessment of workplace risk as required by other Health & Safety Legislation.

16. Other Information

Training:

Recommended Use:

Product Description:

Revised information:

Labelling for contents:

<5% Non-ionic surfactants

DMDM Hydantoin

Iodopropnyl butylcarbamate

Risk phrases listed in Section 3

R11 – Highly flammable

R22 – Harmful if swallowed

R36 – Irritating to eyes

R41 – Risk of serious damage to eyes

R67 – Vapours may cause drowsiness and dizziness
