

AutoMax™
AUTO FEED SHREDDERS

REVOLUTIONISING THE WAY YOU SHRED

True innovation brings meaningful change and value to an industry. When developing our auto feed technologies the focus was on transforming the shredder category with the high quality performance, features and reliability synonymous with the Fellowes® brand. We've eliminated the limitations that were once tolerated with other auto feed shredders and expanded that capability to fit every auto feed shredder need. With our patented Surefeed™ Technology, we provide automatic shredding with maximum productivity for heavy shredding demands. While our AccuFeed™ System takes on everyday medium shredding tasks. Whatever your shredding requirements, we've made it possible to be more productive with your time, so you can truly walk away and get back to business. Fellowes AutoMax™ Auto Feed Shredders are not just shredders, they are a new standard for performance.

Fellowes new line of AutoMax™ shredders makes shredding more convenient and less time consuming. What makes AutoMax truly walk away is its superior auto feed technologies that shred stacks of papers as they are - no pulling out staples, paper clips or even smoothing wrinkled papers. The AutoMax line offers time-saving innovation to meet the needs of any size shredding job. Simply load the drawer, push the button and walk away with confidence. It's that easy...really!

POWERFUL AUTOMATIC SHREDDING FOR HEAVY USAGE

OUTSHREDS THE COMPETITION

Unlike other auto feed shredders which have specific limitations for shredding materials, Fellowes® AutoMax™ is the first line of auto feed shredders that shred everything a traditional shredder can and still deliver on the “walk away” promise. What makes AutoMax truly walk away is its proprietary auto feed technologies which shred stacks of papers as they are – no pulling out staples, paper clips or even smoothing wrinkled papers. Simply load the drawer, push the button and walk away with confidence. Experience what an auto feed shredder should be, hands free and hassle free.

FAST AUTOMATIC SHREDDING FOR MEDIUM USAGE

“Now I can shred in-house with the same convenience, but for less.”

OUTSOURCED VS. IN-HOUSE SHREDDING

It's hard to imagine that more convenience, increased efficiency and higher security can actually come at a lower cost. With Fellowes® AutoMax™ 300C and 500C, in-house shredding can provide time and money back to your business, boosting productivity. Shredding jobs can now be taken care of faster than having to wait for outsourced services and without the worry of confidential documents getting into the wrong hands.

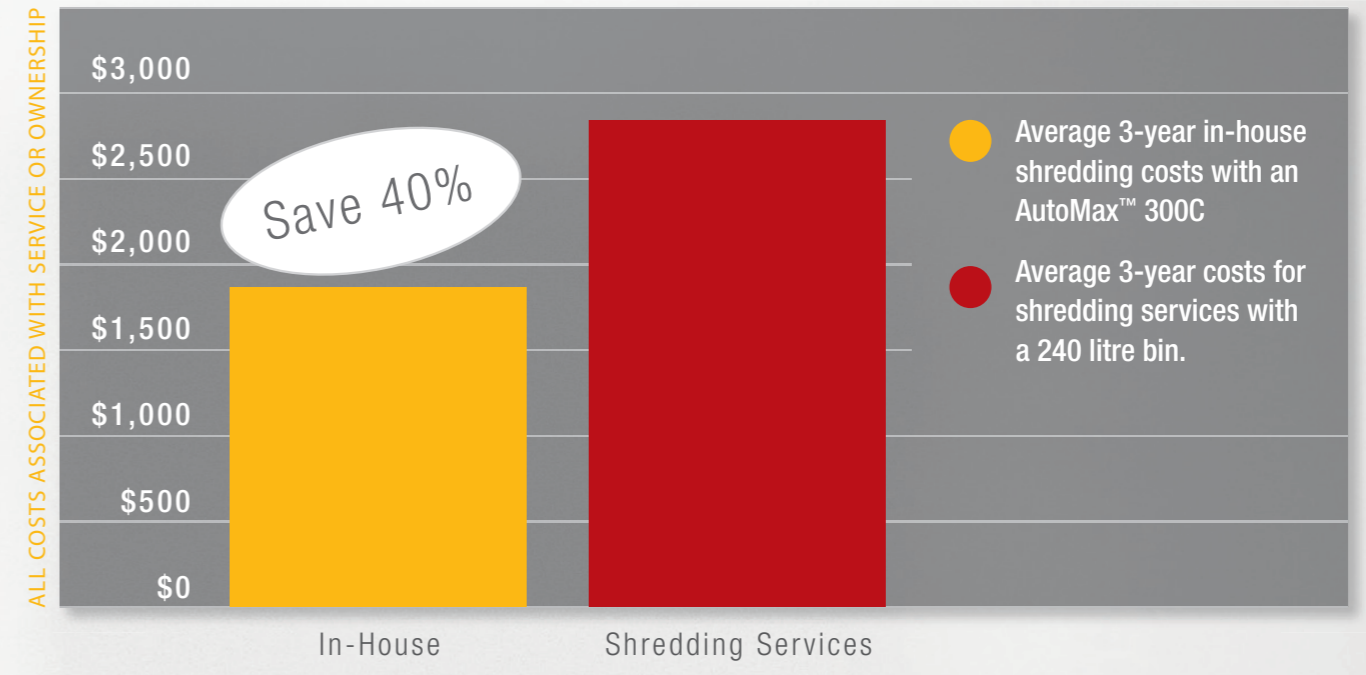

And it's easy because anyone can operate AutoMax™. Simply load up to 500 sheets of crumpled or glossy paper, stapled or paper clipped paper - even CD/DVDs, lock and walk away. That's it... really. Better productivity has never been so easy and cost so little.

IN-HOUSE SHREDDING ADVANTAGES

- TIME-SAVING CONVENIENCE**
Automatic shredding so you can walk away and focus on other priorities.
- LOWER COSTS**
No more hidden fees or excessive service charges – you can put that money back into your business!
- INCREASED SECURITY**
Know who is handling your confidential information so you can help prevent a security breach.
