

REVOLUTIONISE The Way You Shred

AutoMax™ AUTO FEED SHREDDERS

Fellowes
WORK BETTER™

The Fellowes AutoMax™ Difference

AutoMax™ shredders offer a truly walk away shredding experience, automatically shredding stacks of paper at the push of a button. We've eliminated the limitations that were once tolerated with other auto feed shredders in the market by using patented AccuFeed™ Technology. Now you can shred common stacks of paper as they are – no pulling out staples, paper clips, or even smoothing wrinkled papers. Simply load the tray, press play and walk away with confidence. While AutoMax™ shreds, you get back to business.

SAVE TIME and improve productivity
with hands free shredding

Hands Free Shredding
for Every Size Office

Engineering

A Superior Auto Feed Solution

Outshredding the Competition.

Fellowes AutoMax™ machines provide fast, automatic shredding with a "walk away" promise. What makes AutoMax™ shredders truly walk away is their proprietary AccuFeed™ System, which shreds common stacks of paper, including glossy paper, stapled or paper clipped paper, double sided color printed paper and even crumpled paper.

AutoMax shredders are the most accurate auto feed shredders on the market, giving you peace of mind that your confidential information will be destroyed.

Experience what an auto feed shredder should be, **hands free and hassle free.**

Powerful Features Maximum Convenience

Offers a truly **walk away shredding** experience, automatically shredding stacks of paper with wrinkles, staples, and even paper clips

Includes **manual feed slot** for instant shredding jobs and destruction of plastic credit cards and CDs/DVDs

Patented **AccuFeed Technology™** provides fast, accurate automatic shredding

Auto Reverse stops and reverses paper if a jam occurs, helping to reduce frustration

Optional 4-digit **SmartLock™** feature keeps confidential documents secure during shredding cycle (350C and 550C Only)

SilentShred™ offers ultra-quiet performance to avoid noisy disruptions in shared workspaces

Sleep Mode feature shuts down the shredder after 2 minutes of inactivity, optimizing energy savings

Innovative **touch screen technology** with back-lit LEDs for easy operation

Spacious **pull-out bin** helps to eliminate the need for frequent emptying

The Best of Both Worlds

Shred a lot or a little with ease. AutoMax™ shredders feature the best of both worlds with auto feed and manual feed built into the same machine. Now that's convenience.

Load Tray and Walk Away
