# POWERSHRED® 72C†

THE WORLD'S **TOUGHEST** SHREDDERS™

Please read these instructions before use.  
Do not discard: keep for future reference.

**Fellowes**  
Quality Office Products Since 1917

## KEY

A. Paper entry	D. Window	H. Control Switch and Indicator lights
B. CD/Credit card safety flap	E. Disconnect power switch	R 1. Reverse
C. Pull-out Bin	○ 1. OFF	O 2. OFF
	I 2. ON	I 3. Auto-On (green)
	F. See safety instructions	4. Turbo Jam Release™ (red)
	G. Handle	5. Door Open (red)
		6. Overheat (red)

## CAPABILITIES

**Will shred:** Paper, credit cards, staples, paper clips, CD/DVDs and junk mail.

**Will not shred:** Adhesive labels, continuous form paper, transparencies, newspaper, cardboard, laminates, file folders, X-rays or plastic other than noted above

### Paper shred size:

Cross-Cut ..... 4mm x 38mm

### Maximum:

Sheets per pass ..... 12\*  
Cards per pass ..... 1\*  
Paper entry width ..... 240mm

\*A4 (70g), paper at 220-240V, 50/60 Hz, 2.2Amps; heavier paper, humidity or other than rated voltage may reduce capacity. Maximum recommended daily usage rates: 800 sheets; 25 credit cards; 10 CDs. 12 sheets per pass.

## ⚠ WARNING: IMPORTANT SAFETY INSTRUCTIONS — Read Before Using!

- Operation, maintenance, and service requirements are covered in the instruction manual. Read the entire instruction manual before operating shredders.
- Keep away from children and pets. Keep hands away from paper entry. Always set to off or unplug when not in use.
- Keep foreign objects — gloves, jewelry, clothing, hair, etc. — away from shredder openings. If object enters top opening, switch to Reverse (R) to back out object.
- Never use aerosol products, petroleum based lubricants or other flammable products on or near shredder. Do not use canned air on shredder.
- Do not use if damaged or defective. Do not disassemble shredder. Do not place near or over heat source or water.
- This shredder has a Disconnect Power Switch (E) that must be in the ON (I) position to operate shredder. In case of emergency, move switch to OFF (O) position. This action will stop shredder immediately.
- Avoid touching exposed cutting blades under shredder head.
- Shredder must be plugged into a properly grounded wall outlet or socket of the voltage and amperage designated on the label. The grounded outlet or socket must be installed near the equipment and easily accessible. Energy converters, transformers, or extension cords should not be used with this product.
- FIRE HAZARD — Do NOT shred greeting cards with sound chips or batteries.
- For indoor use only.
- Unplug shredder before cleaning or servicing.

## BASIC SHREDDING OPERATION

**Continuous operation:** Up to 20 minutes maximum

**NOTE:** Shredder runs briefly after each pass to clear entry. Continuous operation beyond 20 minutes will trigger 40-minute cool down period.

### PAPER, CARD or CD

Plug in and put disconnect power switch in ON (I) position

Set to Auto-On (I)

Feed paper straight into paper entry and release

To shred CDs or credit cards rotate safety flap into place

Hold card/CD at edge, feed into card/CD flap entry and release

When finished shredding set to OFF (O)

## ADVANCED PRODUCT FEATURE

**Turbo Jam Release™**  
Exclusive Turbo Jam Release™ button  
powers through jams

For more information about all of Fellowes Advanced Product Features go to [www.fellowes.com](http://www.fellowes.com)

## PRODUCT MAINTENANCE

### OILING SHREDDER

All cross-cut shredders require oil for peak performance. If not oiled, a machine may experience diminished sheet capacity, intrusive noise when shredding, and could ultimately stop running. To avoid these problems, we recommend you oil your shredder each time you empty your waste bin.

#### FOLLOW OILING PROCEDURE BELOW AND REPEAT TWICE

Set to Off (O)

\*Apply oil  
across entry

Set to Reverse (R)  
2-3 seconds

**CAUTION** \*Only use a non-aerosol vegetable oil in long  
nozzle container such as Fellowes 35250

### CLEANING AUTO-START INFRARED SENSORS

Paper detection sensors are designed for maintenance free operation. However, on rare occasions, the sensors may become blocked by paper dust causing the motor to run even if there is no paper present.  
(Note: two paper detection sensors are located in the center of the paper entry).

#### TO CLEAN THE SENSORS

Turn off and unplug  
shredder

Locate Auto-start  
infrared sensor

Dip cotton swab in  
rubbing alcohol

Using cotton swab, wipe  
away any contamination  
from the paper sensors

## TROUBLESHOOTING

 **Paper jam:** Either press Reverse (R) and remove paper or follow Turbo Jam Release™ instructions below

 **Door open:** Make sure bin is pushed in

 **Overheat:** Wait 40 minutes for motor to cool down

 **Paper jam:** Set to Off (O) and empty bin. Replace bin and follow the procedures below.

Press and hold  
Turbo Jam  
Release™ Button

If jam has not cleared,  
press and hold Reverse  
(R) for 1 second

Reduce paper quantity to  
an acceptable amount and  
refeed into paper entry

## LIMITED PRODUCT WARRANTY

**Limited Warranty:** Fellowes, Inc. ("Fellowes") warrants the parts of the machine to be free of defects in material and workmanship and provides service and support for 2 years from the date of purchase by the original consumer. Fellowes warrants the cutting blades of the machine to be free from defects in material and workmanship for 5 years from the date of purchase by the original consumer. If any part is found to be defective during the warranty period, your sole and exclusive remedy will be repair or replacement, at Fellowes' option and expense, of the defective part. This warranty does not apply in cases of abuse, mishandling, failure to comply with product usage standards, shredder operation using an improper power supply (other than listed on the label), or unauthorized repair. Fellowes reserves the right to charge the consumers for any additional costs

incurred by Fellowes to provide parts or services outside of the country where the shredder is initially sold by an authorized reseller. ANY IMPLIED WARRANTY, INCLUDING THAT OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IS HEREBY LIMITED IN DURATION TO THE APPROPRIATE WARRANTY PERIOD SET FORTH ABOVE. In no event shall Fellowes be liable for any consequential or incidental damages attributable to this product. This warranty gives you specific legal rights. The duration, terms, and conditions of this warranty are valid worldwide, except where different limitations, restrictions, or conditions may be required by local law. For more details or to obtain service under this warranty, please contact us or your dealer.

Australia Residents Only:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits under Fellowes' Warranty are in addition to other rights and remedies under a law in relation to the shredder.
