

FELLOWES NAMED ONE OF AMERICA’S BEST ADOPTION-FRIENDLY WORKPLACES BY DAVE THOMAS FOUNDATION FOR ADOPTION

Itasca IL- November 19, 2014-Fellowes ranked 81 in the top 100, on the 2014 Best Adoption-Friendly Workplaces List released by the Dave Thomas Foundation for Adoption. This is the third year in a row that Fellowes has been included in the Dave Thomas Foundation list based upon on-going company policies that assist employees with adoption expenses.

Fellowes offers its employees 4 weeks paid Family Medical Leave of Absence and up \$5,500 per child in financial reimbursement for adoption-related expenses with a maximum of \$11,000 per employee. These expenses could include agency placement fees, medical fees for the adopted child or birthmother, or travel, immigration and lodging costs to unite the adopted child with his or her new family.

“Family is the foundation of Fellowes,” commented Fellowes CEO, John Fellowes. “As a family business we believe in supporting our employees to give all children an equally strong foundation.”

Every year the Foundation announces America’s top 100 adoption-friendly employers, the top 10 by size, and the leaders in each industry from its annual survey of U.S. employers. Rankings are determined by an analysis of a company’s adoption benefits, including the maximum amount of financial reimbursement and paid leave for families who adopt.

There are more than 100,000 children in the U.S. foster care system waiting to be adopted. Every year, nearly 30,000 children in foster care turn 18 and leave the system without families to call their own. The release of the sixth annual Best Adoption-Friendly Workplaces List helps the Foundation increase foster care adoption awareness while celebrating those businesses that support adoptive families.
