## **Fellowes, Inc. Named By Chicago Tribune As One of The Top Workplaces In Chicago**

Itasca, IL. (November 15, 2010)- The Chicago Tribune Top Workplaces 2010 program ranked Fellowes, Inc. 20th out of 65 midsize employers in the area on its list of the best places to work in Chicago. In total, 100 large, midsize, and small companies in the Chicago area were honored with this designation. Company rankings will be listed in a special section of this week's Chicago Tribune and online at [www.topworkplaces.com/chicago](http://www.topworkplaces.com/chicago).

“We are honored to be on the Top Workplaces list. Our ranking confirms that our corporate culture recognizes the value our employees bring to the organization. In turn, we are able to reward them with a positive, encouraging work environment and the opportunity to develop their careers in ways that have a significant impact on our business” said Lyn Bulman, EVP Global Human Resources for Fellowes, Inc.

Evaluations for the Top Workplaces program were solely based on the feedback received from employee surveys distributed in June of this year. 273 employee respondents participated and provided their assessment of Fellowes, Inc. in six different competitive categories: Direction, Pay & Benefits, Conditions, Execution, Managers, and Career. Placement on the Top Workplaces list means that compared to the 182 companies participating in the program, Fellowes, Inc. scored very well overall.
