MOVING SUPPLIES CHECKLIST

Packing Tape - stock up on heavy-duty packing tape or use tape-free moving boxes and skip the tape!

Tape Gun / Dispenser - to tape traditional moving boxes.

Packing Paper and / or Cushion Foam - protects fragile items including dishes and delicate collectibles.

Stretch Wrap - protects furniture from scrapes and dents. Also keeps any drawers and cabinet doors closed to prevent awkward handling or damage.

Furniture Pads - offer added cushioning and prevent scratches when moving large, expensive furniture.

Heavy-Duty Gloves - protect hands from paper cuts and offer a secure grip for DIY movers.

Wardrobe Boxes - are specifically designed to store and move hanging items.

TV / Picture / Mirror Boxes - specially sized to fit artwork, wall-hangings, pictures, and even flat screen TVs!

Dish Boxes - Look for heavy-duty boxes designed to protect and handle the weight of dishes, glassware and other fragile items.

Records Storage File Boxes - for important documents that need to travel securely together.

Moving Boxes - tape-free moving boxes are great way to simplify moving! Purchase a variety of sizes for all your items. Refer to the [Moving Box Buying Guide](#) to determine how many boxes you'll need to move your space, and what to pack in each size.
