OF AMERICA'S BEST EMPLOYERS FOR A SECOND CONSECUTIVE YEAR**

ITASCA, ILLINOIS – FEBRUARY 10, 2021

For a second consecutive year, Fellowes Brands has been recognized amongst the country's top 40 mid-sized employers. This prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on February 10, 2022, and can be viewed on the Forbes website.

"To be named on the Forbes 2022 America's Best Mid-sized Employers list for a second year is an exceptional honor. We are humbled Forbes and Statista has recognized us," said Stacy Cano, Head of Global Human Resources for Fellowes Brands. "We've seen new challenges emerge with how work needs to be done and are so proud of the care and dedication our team members display daily to bring wellness, productivity, and inspiration to worklife."

Forbes and Statista selected America's Best Employers 2022 through an independent survey applied to a vast sample of approximately 60,000 American employees working for companies with more than 1,000 employees in America. Across 25 industry sectors, 1,000 employers have been awarded, 500 large employers and 500 midsize employers. The evaluation was based on direct and indirect recommendations from employees that were asked to rate their willingness to recommend their employers to friends and family. Employee evaluations also included other employers in their respective industries that stood out either positively or negatively.
