FORBES 2021 AMERICA'S BEST EMPLOYERS LIST**

ITASCA, ILLINOIS - MARCH 12, 2021

Fellowes Brands is honored to be ranked 24th in Forbes 2021 America's Best Mid-Sized Employers list. This prestigious award was presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on February 9, 2021, and can currently be viewed on the Forbes website.

"We're honored to be ranked 24th in Forbes 2021 America's Best Mid-Sized Employers list. Our culture, and this recognition, is made possible by our devoted people who bring the spirit, care, and positivity every day!" shared fourth-generation CEO, John Fellowes.

Forbes and Statista selected America's Best Employers 2021 through an independent survey applied to a vast sample of more than 50,000 American employees working for companies with more than 1,000 employees in America. Across 25 industry sectors, 1,000 employers have been awarded, 500 large employers, and 500 midsize employers. The evaluation was based on direct and indirect recommendations from employees asked to rate their willingness to recommend their employers to friends and family. Employee evaluations also included other employers in their respective industries that stood out either positively or negatively.
