

## **TRENDWAY AWARDED INDOOR AIR QUALITY AGREEMENT WITH PREMIER, INC.**

**HOLLAND, Mich. – JULY 15, 2022** – Trendway, a Fellowes Contract Interiors brand, today announced it has been awarded a group purchasing agreement for Indoor Air Quality with Premier, Inc. Effective July 1, 2022, the new agreement allows Premier members, at their discretion, to take advantage of special pricing and terms pre-negotiated by Premier for all AeraMax Pro products.

"We are thrilled to work with Premier, Inc. and reinforce the benefits of improved indoor air quality beyond COVID-19 virus reduction and its impact on healthier indoor spaces, personal well-being, operational efficiency, and sustainability," said Arti Lyde, Fellowes Global GM, Air Treatment. "We anticipate improving indoor air quality to be a continued effort and growing need. Our relationship with Premier, Inc. represents our joint commitment to providing clean air solutions for healthier indoor spaces."

AeraMax Pro air purifiers offered by Trendway are commercial-grade air purification systems that remove at least 99.95% of particles as small as 0.1 microns, including allergens, such as pollen, dust, pet dander, and smoke from indoor spaces. AeraMax Pro is the only solution that combines H13 True HEPA filtration with EnviroSmart™ and PureView™ Technologies to continuously monitor contaminant levels and room occupancy to automatically adjust to provide maximum protection, while PureView shares information on-screen in real-time.

What's more, AeraMax Pro air purifiers demonstrated, through independent laboratory testing, to be effective in eliminating aerosolized concentration of SARS-CoV-2 and its variants by 99.9999% through a single air pass test of the purifier.

Premier is a leading healthcare improvement company, uniting an alliance of approximately 4,400 U.S. hospitals and 225,000 other providers to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions, and consulting and other services, Premier enables better care and outcomes at a lower cost.
