FELLOWES BRANDS TO LAUNCH NEW PRODUCTS AT ORGATEC 2018

Fellowes Brands, a global leader of workspace ergonomic solutions, is set to launch a new height adjustable desk as well as ergonomic and sit-stand solutions at this year's Orgatec event. Taking place from *23rd -27th October* at Messe, Cologne, Orgatec is the leading international trade fair for the modern working world that will explore transformational new ways of working.

Fellowes will be showcasing the following height adjustable desk as well as sit-stand and ergonomic solutions at the event:

The Levado™ height adjustable desk

A new arrival to the Fellowes range, the Levado™ height adjustable desk encourages users to add movement to their working day. Pitched as an excellent investment due to its easy installation and smart features, the Levado delivers effortless adjustment at the touch of a button. This stylish desk comes with a sustainably sourced worktop in choices of White, Grey, Maple, Newport Oak and Walnut finishes.

The Lotus™ RT Sit-Stand workstation

The Lotus RT Sit-Stand workstation is a unique introduction to the market as it blends the benefits of a monitor arm with a sit-stand workstation. Perfect for small workspaces, the Lotus adapts to the working day with its waterfall design to increase productivity for all ways of working. With the TriMotion™ articulating arm, the Lotus RT provides ultimate flexibility.

The Lotus™ DX Sit-Stand Workstation

As the next generation model of the award-winning Lotus sit-stand workstation, the Lotus DX offers users an even better sit-stand experience with the promise of healthy and productive working. Available in smart black or cool white, it also helps workers stay connected with a built-in two-port USB charging station and wireless charging for Qi-enabled mobile devices.

Fellowes Platinum Series Monitor Arms

The Platinum Series Monitor Arms enhance productivity, free up valuable desk space and enable users to effortlessly move their screen(s) to the correct height and angle, thereby reducing back, neck and eye strain. Fellowes Platinum Series Monitor Arms are also FIRA certified to comply with European Health and Safety legislation.

Fellowes Premium Ergonomic Workstation Solutions

From wrist supports, sit-stand mats, writing slopes, foot supports and even the innovative Penguin® vertical mouse – the Fellowes range of Premium Ergonomic solutions tackles everyday challenges to help encourage healthy working posture and practices.

Louise Shipley, European Business Team Manager for Workspace Management/Furniture at Fellowes, comments: “As the leader in ergonomic workspace solutions, sit-stand working is a natural area of progression for Fellowes. However, we didn’t want to just create standard products. We wanted to design a range that stood out for all the right reasons and performed perfectly.”

“As a brand that has been helping our customers get the best from their working day for over 100 years, we’ve listened carefully to the needs of people who want to be more active, yet productive. We’re really looking forward to launching these products at Orgatec as it is the ideal platform to showcase new and innovative ways of working.”

Fellowes Brands will be in Hall 6.1, on stand C-061.

Register to meet the Fellowes team [here](#).
