

TALLO™ MONITOR ARM RANGE

Receives Ergonomics Excellence Award

Fellowes is proud to announce that our **Tallo™** monitor arm range has been recognised with an **Ergonomics Excellence Award** from **FIRA International**.

This award recognises ergonomically outstanding products, with a focus on those which are likely to improve efficiency, productivity and well-being for the user(s). [View award here](#).

The Tallo ranges combine a distinctive design, intuitive movement and ergonomic excellence, to deliver a superior experience to those who care about health and wellbeing in the workplace.

'Receiving recognition with a FIRA Ergonomics Excellence Award validates our commitment to delivering a superior user experience coupled with ergonomic innovation.'

Louise Shipley, Fellowes European Head of Marketing - Workplace Health Division.

'Tallo's stand out feature is the innovative slider design on the dual and triple ranges. Its compact design offers a large range of adjustment whilst making it easy to align monitors, regardless of size, to the correct ergonomic positioning without taking up valuable desk space.'

Claire Clark, Head of Ergonomics, FIRA International.
